

Thank you for your participation in the Cold Mountain Music Festival. Funds from this event support the ministries of Lake Logan – Retreat Center, Camp Henry, and Outdoor School. Learn more at lakelogan.org.

Gates open at Noon on Saturday for all attendees who do not have on-site lodging. Those who have rented cabins, dorms, or campsites should have received an additional email with further instructions.

You should print a physical copy of your tickets to bring with you to the Festival or screenshot it on your phone before you enter the no-cell zone. If you forget your ticket, please have ID that matches the name of the ticket purchaser with you. We will require ID for anyone who does not have a physical copy or screenshot of their ticket. If someone else is using your tickets and you won't be with them, you may log into your Eventbrite account to change the name.

Tickets are available for purchase [online](#) until 1 PM on Friday and will then be available at the gate.

Please read ALL the following information before attending the Festival. If you have any questions, your answer is probably here. If it's not, email us at info@lakelogan.org before 1 PM on Friday. Our office will close at 1 PM so we can be ready for your arrival.

INTERNET/CELL SERVICE

Get ready for an unplugged experience. You will lose cell signal about two miles from Lake Logan, and we will not have WiFi available for attendees. We promise this is actually one of the best parts. Emergency phones are located at the dining hall and boat house.

COVID

Please don't come to the Festival if you have tested positive for COVID or if you've had a recent exposure according to current [CDC Guidelines](#). Unfortunately, we cannot offer refunds, but you probably have a friend who can use your ticket.

PARKING

Parking is \$10 cash if you have not paid in advance. Save money by purchasing your parking [online](#) before 1 PM on Friday.

PETS

Your well-behaved dog is welcome at Lake Logan. There is an additional fee of \$10 per animal which will be collected at the gate. You are responsible for your pet's behavior and for cleaning up after your pet. Animals must remain on-leash. We reserve the right to require you to remove your pet from the property.

WHAT TO BRING

Please bring CASH (for parking, food, beverages, and merchandise); many vendors do not accept credit cards, and if the internet goes down, none of them will be able to. Feel free to bring lawn chairs, sunscreen, flashlights, an empty water bottle, and sturdy shoes sufficient for outdoor terrain. You may want to bring an umbrella or poncho. The Festival will go on, rain or shine.

There is an ATM near the Festival entrance. While many vendors take credit cards, WiFi can be unreliable, so cash is your best option.

WHAT NOT TO BRING

No coolers, no outside food or beverages, no fireworks, no weapons, no illegal drugs, no outside boats or paddle boards. Also, remember this is a family friendly event, so please refrain from wearing offensive clothing and leave all potty-mouths at home.

WATER

You may bring an empty water bottle. There will be stations for filling water bottles and water for sale.

SMOKING

Smoke only in the designated area, which is the campfire beside the river. This includes e-cigarettes and the like. Dispose properly of your cigarettes.

LOST AND FOUND

Lost and Found may be turned in at the Ticket Entrance (before 8 PM Saturday) or the ID Check booth (after 8 PM Saturday).

SPENDING THE NIGHT

If you have reservations for lodging or camping, you should have received a separate email. We do not have any cabins or camping available. As of this writing, we have 7 spots available in the multi-gender dorm. If you're looking for a place to stay, check out visitncsmokies.com.

JOIN US SUNDAY

If you're spending the night, we'd love for you to join us for worship on Sunday morning at 9:45 AM in Celebration Hall.

DON'Ts

No coolers, no outside food or beverages, no fireworks, no weapons, no outside boats or paddle boards. Please support our vendors!

Do not smoke in the Festival Field or inside or around any building. The only place smoking is allowed is the campfire beside the river. This includes vaping.

No outside watercraft. This includes Lake Logan members with watercraft registration – you will **not** be able to bring your registered watercraft to the Festival.

Do not boat or swim under the bridge into the river.

For fishing, a valid NC fishing license is required. Catch and release only. No live bait. Single hook only.

Do not go past the Boat House if you are not renting a cabin.

Do not go into the camping area if you have not paid for camping.

An emergency phone is located in the hallway of the Dining Hall and at the Boat House.

ETC

We reserve the right to remove anyone violating rules or local, state, or federal laws and anyone whose conduct is deemed by the organizers as illegal, disorderly, or offensive.

By attending, you acknowledge that Lake Logan, the Diocese of Western North Carolina, festival organizers, and their employees, volunteers, officers, and sponsors assume no liability for injury sustained by attendees of this event.

Video and still photography will be taken at this event. By attending, you consent to our use of your image in connection with said recording and the transmission or publication thereof, or use in promotion of any future event.

ABOVE ALL, BE KIND

Be nice to our volunteers and staff. None of us are professional Festival-organizers, and we're all doing our best to make this experience awesome.

This is a family event. Be mindful of children and respectful of everyone.

Help us recycle and keep the festival grounds clean. Keep Lake Logan beautiful!
